# International School Dalat emerge champs

**By Gopal Singh**

DESPITE an early threat International School Dalat came back strongly to score a convincing 67-43 win over Han Chiang in a all-Island Boys's Under-18 basketball final in the Penang Schools championships played at the SMK Berapit courts in Bukit Mertajam yesterday.

In the first 20 minutes, Han Chiang took a 24-16 lead but this did not deter Dalat to earn every point.

Canadian, Matt Provencal, was again on target making himself the top scorer for the victors with 19 points, two points less than what he made in a semifinal tie against Chung Hwa on Tuesday.

The other double figures were chalked up by Taiwanese Jim Wu and Andy Larkin of US, with 14 and 12 points respectively.

Coach Campbell said: "This is the first time since our participation in this tournament that we have won the title."

Han Chiang's top scorers were Choon Yee Ling and skipper Gan Kai Weng with 13 and 12 points respectively.

Earlier, in the girls' final, Union ended its 10-year dry spell, by beating defending champions Penang Chinese Girls' High School (PCGHS) 68-52, to capture the title.
